

品质保障

恪守精益品质,是正海始终坚守信念,只要对实现品质有帮助的正海舍得巨资投入,购买先进生产及检测设备,培养高素质队伍,运用行业新技术、新材料、新工艺,为中国工业阀门、管路密封努力!

Quality assurance

Abide by the Lean quality, is the sea always adhere to the faith. As long as it helps the realization of quality, is willing to invest heavily in, The purchase of advanced production and testing equipment, high-quality team The industry of new technology, new material, new technology, For chinese industrial valves, pipe sealing and efforts!

关于正海

温州正海密封件有限公司位于温州龙湾永兴工业区,毗邻温州永强机场交通十分便利,公司制造的金属缠绕垫金属环垫结构设备合理,具有良好的密封性能和压缩回弹性,能适应高温、深冷、有空及操作参数急剧变化的要求,垫片本体上环可以加内外定位加强环,用户安装时易于定位,同时能起到保证垫片本体,防止过量压缩的作用,因而广泛应用于石油化工、炼油、火力发电、轻纺制药、天然气管道、阀门等行业。

公司主导产品:密封件、垫片、金属缠绕垫、高强石墨复合垫片、金属环垫、齿型垫、八角垫、椭圆垫、增强包边垫片、聚四氟乙烯垫片、四氟夹层石棉垫片、橡胶衬四氟、盘根、柔性石墨盘根、芳纶纤维盘根、聚四氟、柔性石墨填料环石棉石墨填料、机械密封件、平焊法兰等,产品最大能生产 $\phi 15-\phi 3000$ 。

多年来,正海人秉承“正心诚意,海立云登”的服务宗旨,与客户共创未来。

Company Introduction

wenzhou zhenghai seal Co., LTD is located in wenzhou longwan yongxing industrial area, adjacent to wenzhou airport and strong, the traffic is very convenient. The company manufacturing metal winding gasket metal ring cushion structure equipment is reasonable, and has good seal performance and compression recovery level, can comfortable Should high temperature, cryogenic, free operation parameters and the rapid changes of requirements. Gasket rings can be added to the restriction on the internal and external orientation to strengthen the ring, with Door installation easy to position, and can play the guarantee gaskets ontology, prevent excessive compression effect, so it is widely used in petroleum Chemical, oil refining, coal-fired power, textile, medicine, natural gas pipe, valve, etc.

Main products: seal, gasket, metal winding pads, high-strength graphite compound gasket, metal ring pad, the tooth type cushion, Octagon gasket, elliptical pad, enhance overlock gasket, ptfe gasket, four fluorine sandwich asbestos gasket, rubber lining four fluorine, stuffing, Flexible graphite stuffing, aramid fiber dpangan sealed, get together the pieces, flexible graphite packing ring asbestos graphite packing, mechanical seal, ping Welding flanges and so on, the product can biggest production $\phi 15-\phi 3000$.

For many years, zhenghai the people sincerely, create the future with the customer.
